Wayne County Development Alliance, Inc. Presents: Industry Spotlight

Wayne County Development Alliance's Industry Spotlight is in full swing! The Wayne County Development Alliance in conjunction with Channel 10 will continue to feature industries in the area. We kicked off this program with a home grown industry - Mt. Olive Pickle. We are really excited to be able to do this for our industries in Wayne County. Check the Channel 10 schedule located on the [Wayne County website](#) for show times.

If you would like your industry to be featured please contact:
